

# Propell<sup>®</sup> Teacher Workshop for the TOEIC<sup>®</sup> Speaking and Writing Tests

Learn proven classroom strategies and techniques to help motivate your English Language Learners and prepare them for success on the TOEIC<sup>®</sup> Speaking and Writing tests.

The methods you will learn from the Propell<sup>®</sup> Teacher Workshop for the TOEIC<sup>®</sup> Speaking and Writing tests will help your students to develop the language skills they need to communicate effectively at work, in person, in meetings, in videoconferences, on the phone, by email and in business correspondence.

## ■ The Propell Teacher Workshop will enable you to:

- ✓ define learning objectives for lesson plans and class activities
- ✓ listen to and read responses from real test takers
- ✓ learn about the basic framework used for scoring TOEIC Speaking and Writing tests
- ✓ master teaching and learning strategies to promote your students' success on the TOEIC tests
- ✓ explore dynamic classroom activities that will motivate your learners

## ■ You will also enjoy these benefits:

- ✓ understand the scoring criteria used for the TOEIC Speaking and Writing tests
- ✓ receive a certificate of workshop completion

## Enhance Communication Skills

Led by ETS workshop facilitators in an interactive, hands-on classroom setting, participants will gain in-depth knowledge about the TOEIC Speaking and Writing tests. During the workshop, participants will be given the opportunity to immediately apply newly attained information. For example, exposure to ETS-rating guidelines creates a segue to scoring actual responses in the workshop environment.
